

GEOGRAPHY ADVENTURES IN PYRMONT

Urban Dynamics come alive for your students with programs created from over twelve years experience developing and running urban renewal programs in Pyrmont for NSW students.

5A2 Changing Australian Communities

5A3 Issues in Australian Environments

During the two and a half hour excursion students:

- Undertake **field studies** on the excursion trail from Darling Harbour to Pyrmont Point
- Learn how the community has **responded** to change
- Are engaged in **social equity** considerations
- Learn to use appropriate Geographical **terminology**
- Compare **community** features of the past to those of today

Urban Excursions are run by former staff of Sydney Learning Adventures

Resources include:

- Teachers resource pack with student **worksheets**
- **Easy** activities that link specifically to curriculum
- Excellent excursion **images**
- Archival & contemporary resources including **film**
- **Relevant** statistics
- **Free app** supporting pre or post excursion reviews & assignments
- Dynamic, **experienced** guides

Senior program available on request
