

## ***Lesson 7 – Worksheet 1***

### **Places in the news**

Below is a list of places which are often mentioned in the news.

1. Find the location of each place, using an atlas or other map.
2. Mark the location with a dot and the place name on the blank map (see pages 1 & 2).
3. For some of the places, say why it has a connection with Australia that makes it part of the news.
4. Use the scale on the map below and the edge of a piece of paper, or a piece of string, to find the approximate distance of each of these places from Sydney.

**Places:** New York; London; Gallipoli; Korea; Rome; Los Angeles; Tokyo; Jerusalem; Vietnam; South Africa; Indonesia; Beijing; and Canberra.
