

Lesson 2 – Worksheet 1

Name: _____ Date: _____

Australian features and landmarks

Task: Research the features, landmarks and places of interest using the internet. They are marked on the map. Write the names of the places next to their descriptions.

Description of feature	Name of feature
<i>Example:</i> A place where small penguins waddle out of the surf in the evening and run up to their burrows for the night.	
1. The largest system of coral reefs in the world.	
2. Three rocks in an unusual formation.	
3. A large red rock that rises 340 m out of the ground.	
4. The site of an historic convict prison.	
5. Famous for its colony of little fairy penguins.	
6. A place where people can play with dolphins in the sea.	
7. A World Heritage area in the Top End of Australia.	
8. A building that looks like the sails of a ship.	
9. A famous wine-producing area.
