

Lesson 8: Resource Sheet 1

Australian landmarks research assignment

Task: Choose one Australian landmark and create a travel brochure or promotional video to encourage tourism to that destination. It should be written in the perspective of a travel agency. It should be neat, attractive and inviting. It should include the following information as well as pictures.

Please include:

- Facts about the destination (location, population, closest capital city etc.)
- When to go (best time of year)
- How to get there and how to get around (transportation)
- Background information about the place of interest (why is it a Australia landmark? what makes it special?)
- At least four photographs of the particular Landmark
- At least two photographs of the city/town/state it is located
- A detailed map describing the location of the landmark
